

MATERIAL SAFETY DATA SHEET

SECTION 1. IDENTIFICATION

- Product Name: STERIDOL
- Product Identification: F2252CAN160
- Company Information: Diamond Wipes International
4651 Schaefer Avenue, Chino CA 91710
Telephone Number for Information: 909-230-9888
- Emergency Telephone Number: 1-951-236-6673

SECTION 2. HAZARDS IDENTIFICATION

☞ EMERGENCY OVERVIEW ☞

CAUTION: Direct contact may cause slight eye irritation. Avoid contact with eyes. If irritation occurs, flush thoroughly with large amounts of water for 15 minutes.

SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Ingredient Name	CAS No.	%
Alkyl (68% C12, 32% C14) Dimethyl Ethylbenzyl Ammonium Chloride (Alt CAS 68956-79-6)	85409-23-0	0.14
Alkyl (60% C14, 30% C16, 5% C18) Dimethyl Benzyl Ammonium Chloride	68391-01-5	0.14

SECTION 4. FIRST AID MEASURES

- INGESTION: Wipes may present a choking hazard to human and pets. Insure that wipe has not blocked airway; use standard procedures to unblock airway. Drink sufficient amount of water and treat symptomatically. Do not induce vomiting.
- EYES: Thorough rinsing for 5-10 minutes of the affected eye with water is recommended. If wearing contact lenses, remove immediately. If discomfort or irritation persists, seek medical attention.
- INHALATION: Inhalation exposure unlikely to occur. If symptoms are experienced, move victim to fresh air. If symptoms persists, seek medical attention.
- SKIN: Discontinue use of product and wash affected area with soap and water. If discomfort persists, seek medical attention

SECTION 5. FIRE-FIGHTING MEASURES

- Flash Point: 91.4 °C (196.6 °F) Combustible
- Extinguishing Media: Dry chemical, foam, water, or carbon dioxide
- Explosion Hazards: None
- Special Fire Fighting Procedures: Fire should be fought from a safe distance. Self-contained breathing apparatus recommended.

MATERIAL SAFETY DATA SHEET

SECTION 6. ACCIDENTIAL RELEASE MEASURES

- Ventilate area. Clean up excess material and place in a properly marked closed container for reclaim, recycle or disposal
- Use general disposal methods in compliance with Federal, State, and local regulations

SECTION 7. HANDLING AND STORAGE

- Avoid contact with eyes.
- As with all chemicals, good industrial hygiene practices should be followed when handling this material.
- Store in a cool, dry, well-ventilated area.

SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

No special protection or precautions have been identified for using this product under directed consumer use conditions. The following recommendations are given for production facilities and for other conditions and situations where there is increased potential for accidental, large-scale or prolonged exposure.

- For bulk processing, use safety glasses, gloves and other protective clothing are recommended as good industrial hygiene practice.
- Engineering Controls: Use general ventilation to minimize exposure to vapor or mist.

SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

- Appearance: Pre-moistened wipes
- Color: White
- Odor: Characteristic
- pH: 11.8 – 12.2 (solution)

SECTION 10. STABILITY AND REACTIVITY

- **Stability:** Stable under normal conditions of use
- **Hazardous Decomposition Products:** Combustion can yield oxides of carbon
- **Conditions to Avoid:** Avoid strong oxidizing agents, anionic surfactants

SECTION 11. TOXICOLOGICAL INFORMATION

No data is currently available

SECTION 12. ECOLOGICAL INFORMATION

No data is currently available

MATERIAL SAFETY DATA SHEET

SECTION 13. DISPOSAL CONSIDERATIONS

- This material, if discarded as produces, is not a RCRA "listed" or "characteristic" hazardous waste. Use, which results in chemical or physical change or contamination my subject it to hazardous waste regulations.
- Along with properly characterizing all waste materials, consult federal, state, and local regulations regarding the proper disposal of this material.

SECTION 14. TRANSPORT INFORMATION

- **Ground (DOT):** Non-hazardous

SECTION 15. REGULATORY INFORMATION

- This product is considered non-hazardous as defined in 29 CFR 1910.1200(d)
- Fragrances contained within this product comply with appropriate IFRA guidelines
- The product described in this Material Safety Data Sheet is regulated by the Environmental Protection Agency.
- California Proposition 65 Warning: This product does not contain substances known to the State of California to cause cancer, birth defect, or other reproductive harm, at levels which would require a warning under the statute.

SECTION 16. OTHER INFORMATION

DISCLAIMER:

The information provided on this MSDS is correct to the best of our knowledge. The information given is intended to provide directions for safe handling, use, storage, transportation correct but does not purport to be all inclusive and shall be used only as a guide. Diamond Wipes International, Inc. shall not be held liable for any damage resulting from handling or from contact with the above product.
